## America's #1 Warranty

100,000 Miles/7 Yr • No Deductible • Fully Transferable

Why is it America's #1? It's the only 100,000-mile/7-year powertrain limited warranty around that doesn't have a deductible and is fully transferable for the life of the warranty. That's huge, and that's why the other guys don't talk about deductibles and transfer capability. No deductible means covered repairs are covered—you don't pay anything for parts and labor. Fully transferable means the warranty can pass from one owner to the next, increasing resale and trade-in value when it's time to buy your next car. With coverage extended for 100,000 miles or 7 years, whichever comes first, you can average a more than reasonable 14,000 miles per year. The strength of this long-term powertrain protection is compounded by a 36,000-mile/3-year new-vehicle limited warranty that also has no deductible and covers everything from the dome light to the exhaust pipe (except the battery, which is covered for 24,000 miles, and tires, which are covered by the tire manufacturer's warranty), and includes comprehensive 24-hour Roadside Assistance as well as a convenient Courtesy Vehicle Program. So...that's why we can say it's America's #1. Sounds good, doesn't it!

100,000-Mile/7-Year Powertrain Limited Warranty: Every 2007 Suzuki comes standard with America's #1 Warranty: a 100,000-mile/7-year, fully transferable, \$0-deductible, powertrain limited warranty. Duration: Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. Fully Transferable: Unlike many other warranties, ours can be transferred from owner to owner, adding value at the time of resale or trade-in. No Deductible: If any covered repairs are necessary within 100,000 miles or 7 years, whichever comes first, there is no charge for parts and labor. Suzuki's New-Vehicle Limited Warranty: Covers all components and the vehicle as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. Tires are covered by a separate warranty from the tire manufacturer. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforations due to corrosion, they're covered for 36 months, with no limit on mileage. Roadside Assistance Program: Covers any new Suzuki vehicle during the 36,000-mile/3-year new-vehicle limited warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. Courtesy Vehicle Program: The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to defective materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year new-vehicle limited warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days, for up to \$30 a day, through Enterprise Rent-A-Car. <sup>1</sup> The tire pressure monitoring system (TPMS) is not a substitute for regular tire pressure inspections. Tire pressures should be checked at least monthly using a tire pressure gauge. Maintaining the recommended tire pressure can help avoid performance problems, tire damage and premature wear. See the Owner's Manual for additional details. Make sure to go to [suzukiauto.com](http://suzukiauto.com) for the latest specification information.

WARNING: Sport Utility Vehicles handle differently from ordinary passenger cars. Avoid sharp turns and abrupt maneuvers. Always wear your seatbelt. For specific details, please read your Owner's Manual for on- and off-road driving tips. To avoid injury from an airbag, always place children 12 years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting. Pricing, specifications and equipment based on information available at the time of file posting, subject to change without notice and may differ in each sales area. Some vehicles shown with optional equipment. For more details on 2007 options, accessories, specifications and prices, contact your local Suzuki dealer. Suzuki, the "S" logo, Suzuki and Suzuki model names are Suzuki trademarks or ®. "Tread Lightly®" on public and private land. Along with concerned conservationists everywhere, Suzuki urges you to preserve your future off-road driving opportunities by showing respect for the environment, local laws and the rights of others.
